

Let's Take A Walk

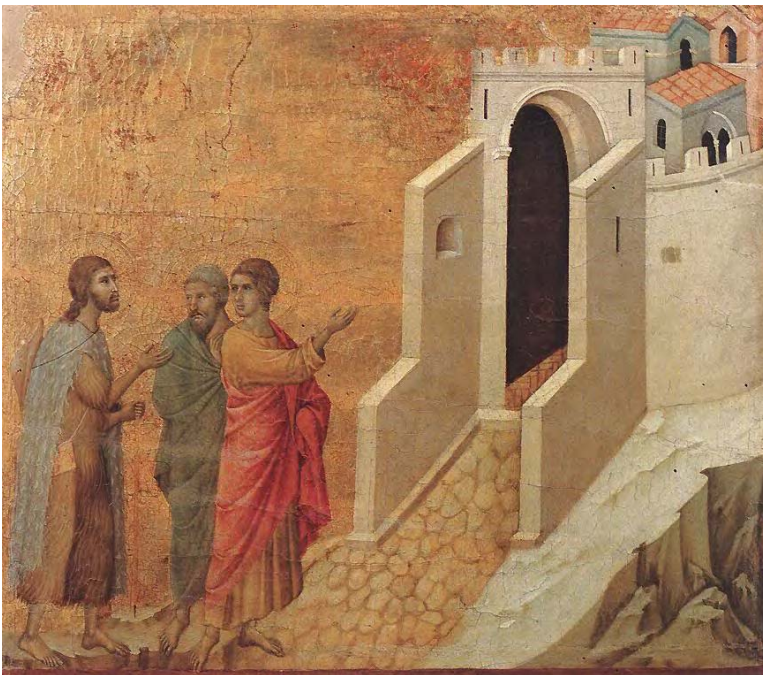

Lenten Quiet Day

Saturday, March 20

10am - 3pm in the Church

Led by Margaret Guenther

Bring your lunch. Coffee and tea provided.

Walkathons are in. Even those of us who are not enthusiastic walkers are inundated with requests to sponsor another in support of a worthy cause—to wipe out cancer, to house the homeless, to ease the anguish of those who suffer from all sorts of disease and deprivation. These are worthy walks, but they are quick and easy. Christians are called to another walk, the journey of a lifetime. Scripture is filled with comings and goings, arrivals and departures. As Jesus walked with his friends, his followers today walk with him still. This retreat day offers an opportunity to reflect on our life as travelers in his company.
